Dear ASI associate,

Do you remember when you were younger? Maybe 18, 19 or 20? Did you know what exactly you wanted to do in life? Many young people today sense God's calling to serve but they do not know how to go about it. They also want to have a personal relationship with God but the pressures of life and many unanswered questions seem to stand in the way.

That's why the Portuguese Association of Preventive Medicine created the LIFE Course. It's aimed at young people and will help them catch God's vision for their lives. It will also give them tools to serve. They may end up studying engineering, IT, teaching, agriculture, law, or any other course, but, the experience at the LIFE Course will help them be missionaries and, through health, be a blessing to many people. They will share God through health in whatever field they may be. The LIFE Course will run from March 17 to July 15, 2024 and In 2024 we have space for 8 students.

But we need your help. If you believe in young people, here are a few ways in which you can become a partner:

1. SPONSOR A STUDENT

The course costs 2,650€ per student and includes tuition, accommodation, food, and course materials. A few students are not able to pay this but they sense God's calling to enrol. WILL YOU HELP THEM REACH THEIR GOAL?

2. HELP BUILD STUDENT ACCOMMODATION

5 rooms need to be renovated and furnished with bunk beds, cupboards and desks. Accommodation is basic but comfortable and safe.

3. BUY 9 SEAT VAN FOR MISSION ACTIVITIES

VitaSalus is located a few kilometres from the nearest village and 27 km from Coimbra, where some of the mission activities will be held. Public transportation is very unreliable and a 9 seater van will allow students to put into practice what they have learned.

4. SPONSOR A MISSION TRIP AT THE END OF THE COURSE

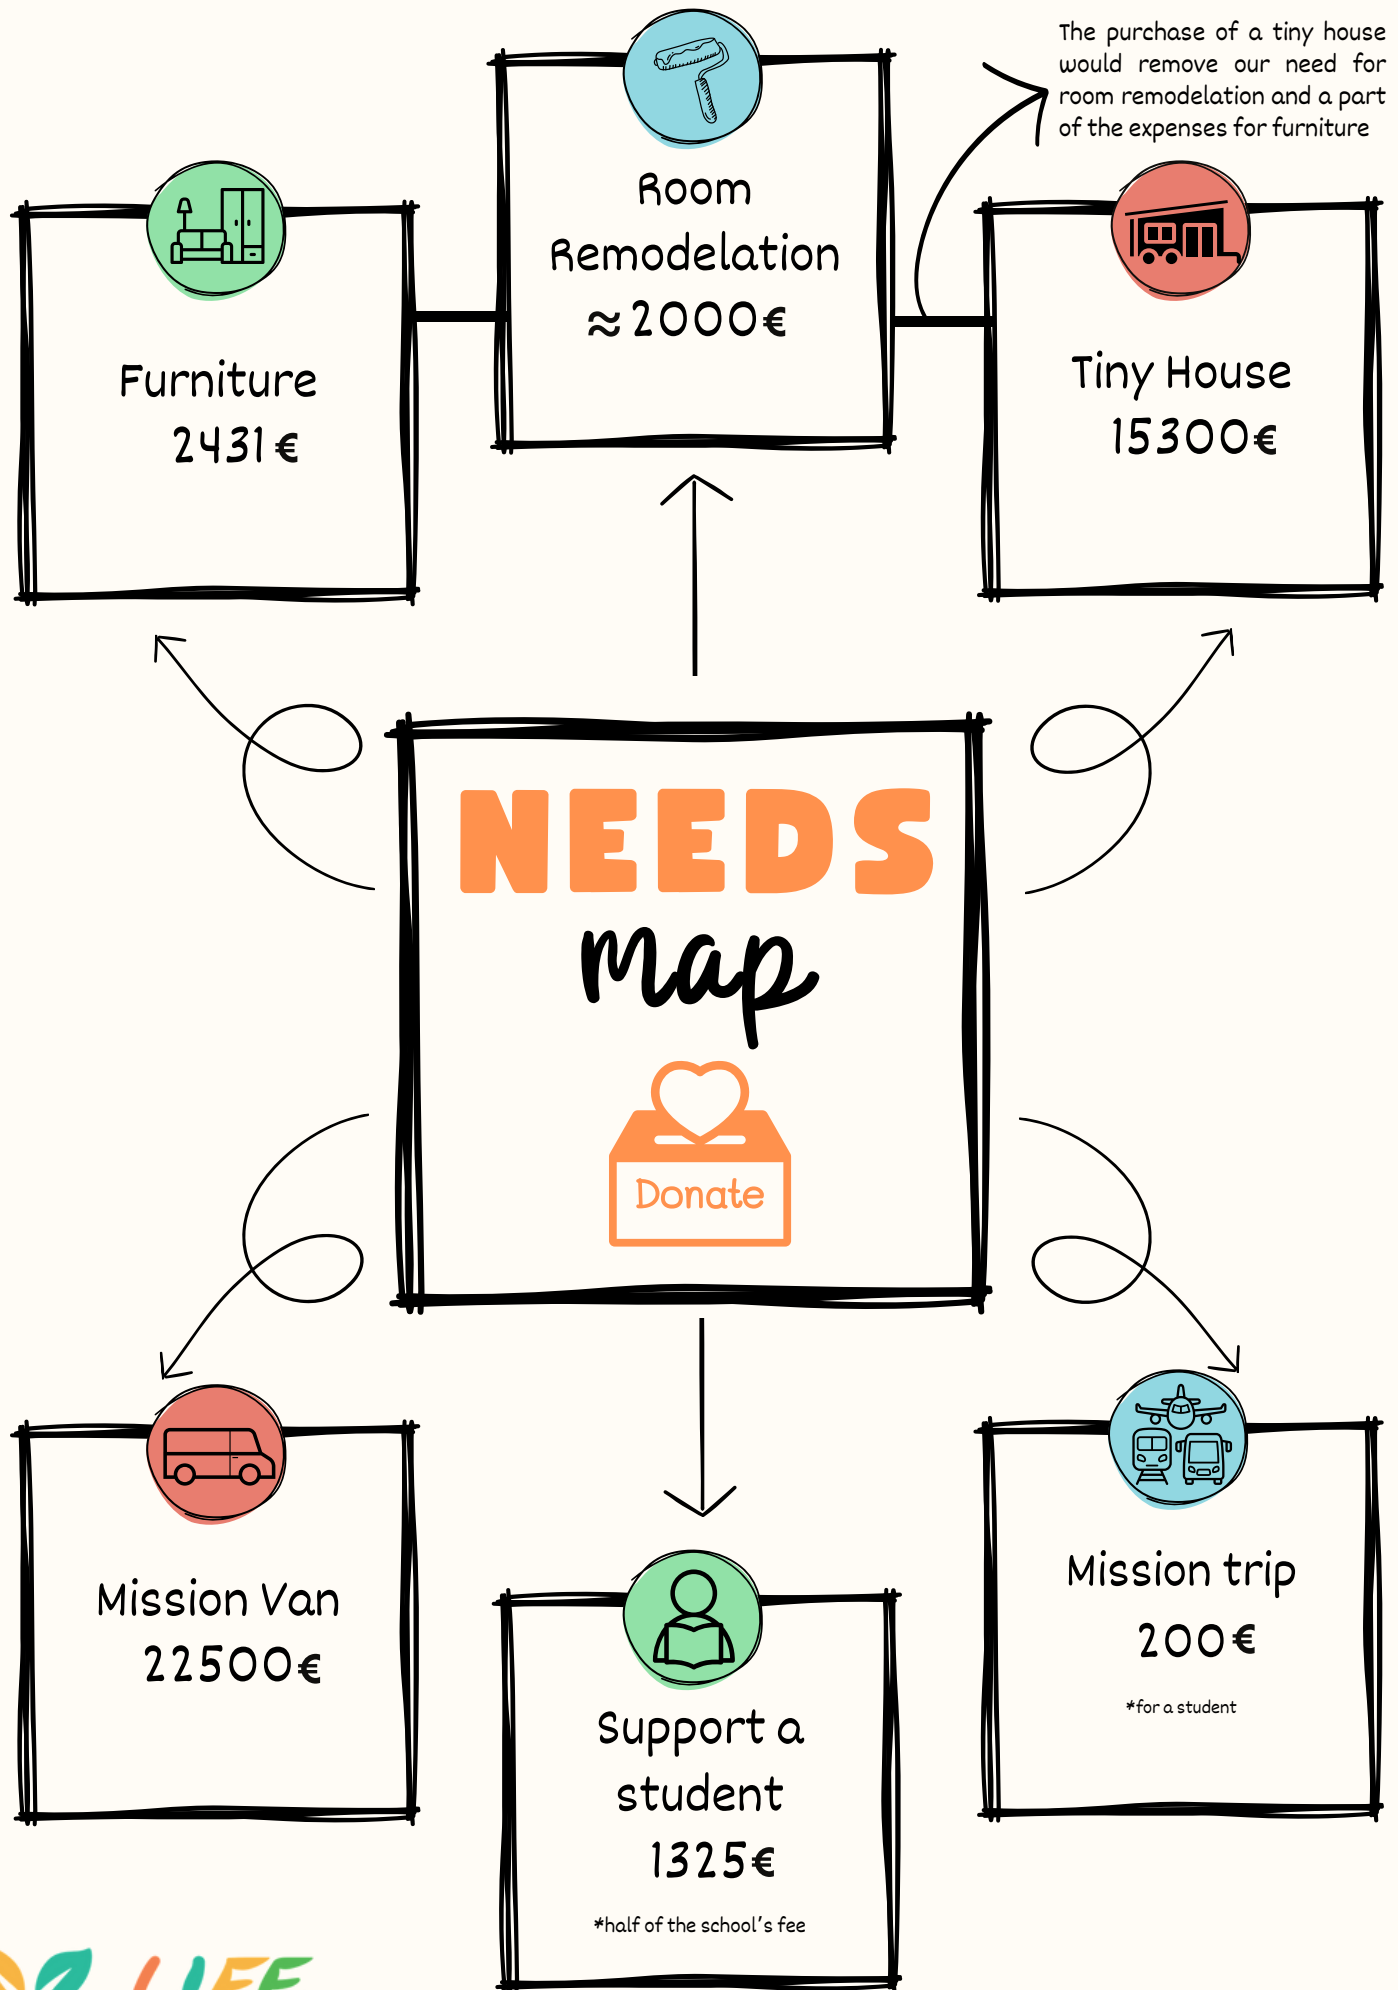

Small churches in unentered areas need help. Students will travel to one of these remote areas to do outreach and help the church to grow.

BECOME A PARTNER OF LIFE Course. Prayerfully consider helping young people to become missionaries in this world of need. Jesus is coming soon. Make a positive difference in someone's life, today.

May God lead you. I am at your service for any details.

With all due consideration,

LIFE Course team
